

Summary of Operator's Rules for La Primitiva Lottery

Our La primitiva has the same Rules as the matching La Primitiva lottery conducted in Spain. To play La Primitiva, simply choose 6 main numbers from a pool of 1-49 and 1 number known as the 'Reintegro' from a pool of 0-9. To win the jackpot you must match all 6 numbers and the 'Reintegro'. If there's more than one jackpot winner, the prize will be shared equally between all the jackpot winners. The minimum jackpot is an estimated €2 million. Draws take place on Thursday and Saturday evenings and correspond with the matching draws in Spain.
